

**CARATTERISTICHE :**  
**Elemento elastico :** Elastomero  
**Parti metalliche :** acciaio zincato bianco UNI-ISO 2081  
**Impieghi:** Macchine utensili, macchine tessili, presse meccaniche, apparecchiature elettroniche, stampatrici ecc.  
**CHARACTERISTICS :**  
**Elastic element :** Elastomer  
**Hardwares :** steel coated with white zinc UNI-ISO 2081  
**Uses :** machine tool, textile machine, mechanical press, electrical equipment, printing-machine, etc....

A richiesta: realizzazione degli antivibranti in materiale autoestinguente UL94-V0.  
 On request: antivibratings realization with retardant-flame material UL94-V0.
